Architectural elevation drawing of a wooden building with a gabled roof. The drawing shows a large rectangular window and a door. Dimensions are provided for the roof height (9.35), ground level (0.00), and various horizontal and vertical offsets (1.50, 2.50, 2.50, 1.00, 1.70, 3.00).

Architectural elevation drawing of a building facade. The drawing shows a long, low structure with a dark, gabled roof. The main wall is clad in vertical wooden planks. Below the wood cladding is a horizontal band of grey material, likely stone or concrete. The base of the building is on a light green ground plane. Dimensions are indicated in meters (m):

- Overall width: 27.50 m
- Width of the central wooden section: 21.70 m
- Width of the left side section: 1.50 m
- Width of the right side section: 1.50 m
- Height of the wooden cladding: 2.50 m
- Height of the grey base: 0.60 m
- Height of the roof: 2.50 m
- Height of the ground level: 0.25 m
- Height of the roof overhang: 0.25 m
- Height of the roof overhang on the right: 0.25 m
- Height of the roof overhang on the left: 0.25 m

This architectural drawing shows the front elevation of a wooden building. The structure features a gabled roof with a steep pitch. The walls are clad in vertical wooden planks. A large, rectangular, light-colored window is centered on the ground floor. The building is elevated on a foundation, indicated by a grey base. The drawing includes dimension lines: a vertical line on the left indicates a height of 9.52, and horizontal lines at the bottom indicate a total width of 17.00, with a 3.00 offset on the left and a 1.50 offset on the right. The roofline is marked with small squares, possibly representing eaves or structural details.

The floor plan shows a building with a central parking area (Remisen) and two side wings. The left wing contains a 'Logerraum Brennholz' (firewood storage room) and a 'Dachwasser in Regenklärkasten' (roof water in rainwater filter). The right wing is a 'Zwischengaden' (intermediate passage). The building has a 'Brandabschnitt EF 60' (fire compartment EF 60) and a 'Dachfläche 660m² x 30K/m² = 19' Bm³'. The parking area is labeled '354.05 m² Remisen'. The building is surrounded by a 'Vorplatz Schotter neu' (new gravel forecourt). The plan includes dimensions for the building, parking area, and surrounding areas. The building is situated on a plot with a 'Strasse best.' (existing street) on the left. The plan also shows a 'Vorplatz Schotter neu' (new gravel forecourt) and a 'Vorplatz Schotter neu' (new gravel forecourt).

A 3D architectural rendering of a modern barn. The barn has a dark grey, gabled roof and light brown wooden siding. It features a large open bay on the left side, supported by wooden posts, and a smaller enclosed section on the right with a white door. The barn is situated on a green lawn, and a small, grey, gabled structure is visible in the background.
