A technical line drawing of a house elevation. The house has a gabled roof with a chimney on the right side. The walls are covered in vertical siding. There are two rectangular windows on the front facade and a door on the left side. The drawing is a black and white line art illustration.

Technical drawing of a building facade showing a red-outlined structure and a grey-outlined structure. The red structure has a width of 11.38 and a height of 1.60. The grey structure has a height of 0.65. Elevation markers +7.76 and +7.51 are shown at the top, and +0.65 is shown at the bottom of the grey structure.

The diagram is a technical architectural floor plan of a rectangular building, identified as a 'Remise' (garage). It is divided into two main sections: 'Remise bestehend' (existing) on the left and 'Remise Neubau' (new construction) on the right. The overall dimensions are 9.32 meters in width and 11.38 meters in depth. The 'Remise bestehend' section is 3.8 meters wide. The 'Remise Neubau' section is 5.05 meters wide. The total depth is 11.38 meters, which is the sum of 3.8m, 1.52m, and 3.6m. The plan also shows setbacks of 3.8m, 1.52m, and 3.6m. The 'Remise Neubau' section is further divided into two parts, each 5.07 meters wide, with a central 1.52-meter section. The plan includes a red line indicating the boundary between the existing and new construction, and a dashed line indicating the centerline of the new construction. The plan is labeled with 'Remise bestehend' and 'Remise Neubau' in the respective sections. The dimensions are given in meters (m).

Technical drawing of a house cross-section. The drawing shows a gabled roof with a central ridge. The total width of the house is 11.12. The roof slope is indicated by a triangle with a vertical side of 4.04 and a horizontal side of 7.76, labeled +7.76°. The roof pitch is also indicated by a triangle with a vertical side of 4.04 and a horizontal side of 8.5, labeled 8.5°. The total height of the house is 2.17. The ground level is marked as ± 0.00. The roof level is marked as +4.86. The interior floor level is marked as +0.65. The drawing includes structural details such as the roof truss, rafters, and floor joists.
